

Miami Children's Hospital Appoints Carmen Perez, President of FPL FiberNet, to Board of Directors

(MIAMI, FL) – May 20, 2010 – Miami Children's Hospital announced the appointment of Carmen Perez, President of FPL FiberNet, to its Board of Directors.

Ms. Perez – who is serving a four-year term – is joining a diverse and representative group of community leaders on the hospital's Board of Directors. She and her Board colleagues donate their time and talent to assist the hospital in carrying out its mission of providing hope through advanced care for children and families.

"Miami Children's Hospital is a fundamental part of our community that focuses on providing children with the best care available. I am honored to now serve on the Board and help in carrying out the hospital's vision for the children," said Carmen Perez.

Ms. Perez, who has served as FPL FiberNet's president since 2007, is involved in a number of community and professional organizations. In addition to her position on the Miami Children's Hospital Board of Directors, she is on the board of and serves as finance committee chair for the United Way; a member of the InternetCoast Board of Directors; a trustee with the Greater Miami Chamber of Commerce; and on the School of Business Advisory Board for Florida International University.

Founded in 1950 by Variety Clubs International, Miami Children's Hospital® is South Florida's only licensed specialty hospital exclusively for children, with more than 650 attending physicians and over 130 pediatric sub-specialists. The 289-bed hospital is renowned for excellence in all aspects of pediatric medicine with several specialty programs ranked among the best in the nation in 2008 and 2009 by *U.S. News & World Report*.

About FiberNet

FPL FiberNet, LLC, based in Miami, provides long-haul and metro fiber-optic broadband network services to wholesale and enterprise customers throughout most major metropolitan areas in Florida, and via interconnection facilities in Atlanta.
